Minimum Age and Entrance Requirements

Kindergarten Enrollment

Kindergarten students must have attained the age of five years old by August 1, 2021 to attend the 2026-2027 school year.

First Grade Enrollment

First-grade students must have attained the age of 6 years old on or before the first day of school and completed a minimum of 6 weeks of Kindergarten. If the child has completed Kindergarten, the student may be admitted to the first grade at the beginning of the school year.

OR

Demonstrate proof of completing kindergarten and promotion to first grade while being a resident of another state in compliance with the age and entrance requirements of that state. A report card from another state showing completion of Kindergarten and promotion to the first grade is required. Report cards from private schools in Nevada or other countries are not acceptable documentation for an exception to the age requirement.

Second Grade

Second-grade students must have attained the age of 7 years old and demonstrate proof of completing kindergarten and first grade at a public, state licensed private, state exempt private or approved home school program.
