

Kiss-N-Go Procedures

Kiss-N-Go Drop Off

Traffic line up begins at the coned entrance of the Kiss-N-Go Lane. As the line begins to form, utilize the lane CLOSEST TO THE CURB as the Kiss-N-Go waiting line. We will continue to message all parents to NOT PARK along the curb during morning drop off as this will be used as the Kiss-N-Go waiting line. CARS CANNOT WAIT IN THE THRU TRAFFIC LANE OF WHISPERING SANDS DR. This causes thru cars to always cross the yellow line to proceed. If you utilize the morning Kiss-N-Go lane, it's best to enter from Decatur Blvd and down Whispering Sands Dr. towards the school.

When the lane opens at 8:50 a.m., continue moving forward in the RIGHT LANE ONLY. Always move forward towards the end of the drop-off zone, then stop. Student drop off is in the GREEN ZONE only (look for signs/cones). Parents must stay in the vehicle at all times. Only exit the vehicle on the passenger side. Duty personnel will motion to continue moving forward or STOP. After drop-off, continue through the right lane and exit the parking lot.
